

## Add International Flavor

## To your Thanksgiving Celebration

Invite international students from the Ohio State University to join your family celebration. Share your hospitality and Christian love with those who may not have had a chance to visit an American home, have significant interactions with Christians, or taste turkey! Let this be the beginning of a new friendship. This is in partnership with International Friendships, a ministry that serves internationals at OSU. Sign up ahead for the training and complete an application form at: [www.ifipartners.org](http://www.ifipartners.org) or use the tear off below.
