2008	128 volunteers	224 students	1.75 students/vol	N/A	N/A	N/A	N/A

2011	286 volunteers	679 students	2.37 students/vol	.07 % less so far	5% more	155 VOLS 54%	131 NEW

There is a small but noticeable trend here that our volunteers are serving more students each year and that number is growing every year.

Also roughly half of the volunteers repeat from year to year.

If all things remained constant, (OSU is changing to Semesters Fall classes start Aug. 22nd air/housing will begin early July), we need to recruit ~143 more air/house volunteers for Fall. We don't know how many current vols can serve at this time.

Also, this year there is 4 weeks between summer and fall quarters. Volunteers will host summer students in late May & June.
