Introducing...

The *International Friendships Inc Easy Giving Plan*

The *IFI Easy Giving Plan* is an electronic funds transfer program that allows your donation to IFI to be deducted automatically from your bank account each month. You save the cost of checks and postage as well as the time required to send your monthly contribution. IFI saves by reducing our processing time and expenses, ensuring that more of what you give goes directly to the operating or staff account you support. You won't need to worry about missing the support you've intended to give, and IFI will have more time to focus on ministry to international students.

You'll still receive a tax receipt for each contribution as well as a monthly record of your gift in *your* bank statement. By notifying IFI in writing, you may change your donation amount or cancel your donation at any time.
