

IFI Teams

Want to use your real life skills and experience to help IFI reach Internationals for Christ? Join an IFI Team! IFI is forming “teams”, which are committees, formally designed to improve IFI’s functionality to reach more students and nations. This is a HUGE and exciting step for this important ministry.

Would you consider becoming an official IFI team member? Please pray about these opportunities. If we both agree that you are a good fit for a particular team, you would need to become an official IFI volunteer (www.ifipartners.org/volunteer) and sign a 1 year commitment to the Team.

Here’s a list of our newly forming teams : Descriptions on line at: ifipartners.org/teams.php

- Building Team
- Development Ministry Team
- Events Team
- Furniture Team
